OBJECTIVE

I am a self-motivated tech enthusiast familiar with tools and technologies related to web development. I am actively seeking opportunities to create value for organizations and make an impact on the world through my work.

WORK EXPERIENCE

Freelancer [3 Year] : Wordpress Development , Digital Marketing

(2019-2022)

- Skilled in WordPress Development, SEO, Digital Marketing, Content and Hosting Management with 3 years of Core Experience.
- I have extensive experience in website development using WordPress, having built and customized more than **20+ WordPress Projects**.
- I've effectively optimized numerous blogs for higher search engine rankings through organic SEO techniques, significantly boosting organic website traffic.
- familiar with tools and technologies like **Elementor, WP bakery, Avada Builder, Gutenberg, WooCommerce, Ahrefs, Custom Theme Builders, Automation Tool Pabbly Connect, SEO, Security & User Management Plugins, Google Analytics, AdWord & AdSense, Mailchimp, Domain & Hosting Management, cPanel, hPanel, Cloudflare, Website Staging, Migration, Backups And Payment Gateways.**

Web Administrator [2 Month] : Web Development

(Oct - Nov 2022)

- I led a team in developing a website for a **TEDx** event at Invertis University.
- This project involved designing captivating landing pages, facilitating event news and updates, and implementing a ticket booking system with payment gateways

Internship [2 Month] : Web Development

(Aug - Sep 2023)

- **OssumTechnology** - Nagpur based web Development Company
- I efficiently perform daily tasks, including creating websites from scratch, improving existing web pages, managing cPanel, handling website migration, troubleshooting, and ensuring error-free websites.
- I have successfully completed five independent projects, demonstrating versatility, initiative, and strong project management skills.
